Sulle Ali della Sostenibilità

Il Vetro da sempre è sinonimo
di eleganza, di trasparenza, di consistenza, di luminosità.
Il Vetro valorizza ciò che custodisce, raccontando l'eccellenza dei brand
che lo scelgono, le loro peculiarità, le loro personali identità.
Il Vetro è contemporaneo perché il più sostenibile tra i contenitori.
Il Vetro si rigenera, inesauribile come le infinite
declinazioni delle sue forme.

Il VETRO è Vetreria Etrusca.

On the Wings of Sustainability

Glass has always been synonymous
with elegance, transparency, consistency, brightness.
Glass enhances what it holds, speaking to the excellence of the brands
who choose it, their characteristics, their identities.
Glass is contemporary because it is the most sustainable of all containers.
Glass is endlessly regenerated, as inexhaustible as the infinite number of its forms.

Glass is Vetreria Etrusca.
