Vetreria Etrusca & DOP

Vetreria Etrusca rinnova le sue proposte per gli oli extravergine di grande caratura e presenta una selezione di bottiglie di alta gamma: dalle classiche linee della collezione Fiorentina, sino alle nuove proporzioni delle Olea o delle più recenti Colette e Morandi. Ogni bottiglia prevede l'imboccatura DOP, la speciale capsula antirimpimento a tutela dell'inviolabilità del prodotto ed è realizzata nel colore Verdetrusco®, ideale per custodire e proteggere le proprietà organolettiche dei contenuti.

Vetreria Etrusca DOP. A tutela dell'alta qualità.

Vetreria Etrusca & DOP

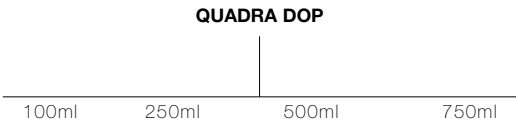

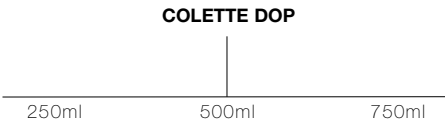

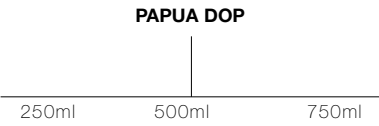

Vetreria Etrusca has extended its portfolio for premium extra-virgin oils and presents its selection of exclusive bottles which ranges from the classic lines of the Fiorentina collection to the modern proportions of the Olea to the most recently designed Colette and Morandi bottles. Each bottle has been designed with a DOP finish to accept the specialist non-refillable closure which protects the bottle contents. The bottles are manufactured in Verdetrusco® glass colour which is ideally suited to store and protect the organoleptic properties of the contents.
