Riflessioni sul Vetro

Vetreria Etrusca sa che sulla forma,
sul colore, sulle proporzioni di ogni bottiglia, di ogni contenitore
in vetro vive l'identità, l'immagine del brand dei suoi clienti.

Il vetro deve quindi innanzitutto valorizzare il contenuto.
Per questo Vetreria Etrusca si dedica con particolare attenzione a proporre
soluzioni che rendano particolare, personale, unico il prodotto realizzato.
Perché, come in un ritratto, nel vetro si riflette il carattere, l'identità di ciò che
contiene: il valore più prezioso per i propri clienti.

Reflection on Glass

Vetreria Etrusca knows that within the shape,
the color, the proportions of each bottle, or each glass container,
lives the identity, the brand image of its customers.
Glass must therefore, first of all, enhance the contents.

For this reason Vetreria Etrusca dedicates particular attention to proposing
solutions that make the product unique and personal.
Because, as in a portrait, glass reflects the character, the identity of what it contains:
the values which are most precious to our customers.
