Introduction

Many Vinolok customers confirm that packaging is paramount to their success. If they want to remain competitive, their products *need to stand out*. Thanks to the personalisation of packaging and labels, customers feel that the producer is doing something extra for them. Vinolok gives packaging the appearance of a premium brand by combining practical functionality with a unique aesthetic appeal.

Vinolok

THE TEMENT WINERY is situated on a small mountain plateau from which you can enjoy a breathtaking panoramic view of our single-vineyard zieregg and the beautiful landscape of the neighbouring country of Slovenia.

TEMENT.AT
Austria

Weingut Tement

We wanted to find a solution that guarantees the quality of our wines and to resolve problems that occur when using natural cork. Vinolok makes sure that the wine is left to its natural process of aging and eliminates any external influences. This is a big advantage of using Vinolok.

Weingut Umathum

The Umathums first settled in the region of Lake Neusiedl during the reign of Maria Theresa. Since the early 1990s, the Umathum Wine Estate has consistently been ranked as one of the best wine growers in Austria.

UMATHUM.AT
Austria

Austria

The philosophy of the winery is as transparent and pure as their wines. By using glass closure, they want to protect the wine against potential cork taint.

Weingut Heinrich

In 2006 the Heinrich winery converted to biodynamic viticulture. The decision was based on the goal of making the vineyards successively more resilient, more vital, and more heterogeneous.

HEINRICH.AT
Austria

BOHEMIAN CRYSTAL TOP

In the middle of the red wine village of Horitschon lies the winery Iby. Since the introduction of the origin name Mittelburgenland DAC they placed emphasis on a biological management, because the wine should also taste originally.

IBY BioRotweingut

ANTON M. IBY.
For me at the moment
Vinolok is the best closure
you can have for high
quality wine. It is a tool
to substitute natural cork
without losing quality.

IBY.AT
Austria

**Weingut Gerhard &
Brigitte Pittnauer**

Gerhard runs the estate
with his wife Brigitte, and they
farm according to biodynamic
principles. The aim of the change
to biodynamics, the use of natural
yeasts and the care and attention
given to the vines and the fruit, is
the expression of the terroir.

PIVE is a rosé wine with a pale pink colour which offers a very fresh nose with notes of pineapple, mango and white fruits (pear, peach). The palate is very refreshing with fresh fruit aromas (pineapple, mango, peach), a surprising length and finesse on the palate, with a very rich, and subtly tangy finish.

JEANJEAN.FR
France

Vinolok combines beauty and practicality. It enables us to differentiate the bottle from other products. The customizing options make it possible to match the closure with all decoration and elegance requirements. The glass closure is the final characteristic of premium bottle packaging.

France

Gérard Bertrand

CÔTE DES ROSES by Gérard Bertrand celebrates the Mediterranean lifestyle. The original bottle was created by a young student of the École Boule.

GERARD-BERTRAND.COM
France

Domaine le Pive

Domaine le Pive is planted along a string of sand dunes, where the Rhône meets the Mediterranean. The vines enjoy magnificent sunny days suitable for good grape-ripening. Moderated by sea spray, the region also helps retain the fresh aroma in the grapes.

Domaine Lafage is a leading estate in the Roussillon region in France with cellars located just outside Perpignan, though it also has vineyards at Les Aspres and Agly. Domaine Lafage possesses vineyards with vines that are as much as 100 years old, including the Château Saint-Roch in Maury.

Domaine Lafage

GALLICA ROSÉ from Lafage winery in Languedoc-Roussillon. Its floral scent and a beautiful finish in the end is simply charming with 45% Grenache Gris, 45% Grenache Noir and 10% Macabeu.

Domaine Prèignes Le Vieux

Château des Coccinelles

Domaine Lauriga

Vignobles Pueyo

PUECH-HAUT ROSÉ has a magnificent pale robe, complex nose with hints of citrus, and white-fleshed and tropical fruits. It is superbly refreshing with a pleasant nose and fabulous fruity sensations (white-fleshed fruits, lychee). With a generous mouth sensation riding on zesty notes, it is both gourmet and refreshing.

PUECH-HAUT.FR
France

Château Puech-Haut

Vinolok has contributed to the fame of our Prestige Rosé and improved awareness of our quality. Betting on Vinolok was a winner. Customers take home a closure along with the bottle, which means that they appreciate not only the quality of the product but also its stylish design.

Domaine Lafage

Domaine Uby

Advini

Château des Launes -
Maîtres Vignerons de la Presqu'île de Saint-Tropez

The grapes for Cuvée Pauline are harvested late to obtain the best maturity. The result is a powerful and round wine with notes of vanilla, almond and truffle mouth feel at the end. Slightly oaky, it is fresh in the mouth.

Domaine Eric Louis

SANCERRE CUVÉE Pauline white is a rare flinty Sancerres fermented in acacia barrels and oak barrels, according to tradition.

SANCERRE-ERICLOUIS.COM
France

Château d'Arche

Château Padouën is a charming 10-hectare property located in Barsac, 35 km from Bordeaux. The soil is composed of gravel while the subsoil is limestone. This natural drainage system of the soil forces the roots of the vine to sink very deeply. This helps to regulate the vine's growth and especially to cultivate very aromatic grapes.

CHATEAU-ARCHE.FR
France

France

Saint-Eugène, a viticultural domain that wakes up after more than 2 000 years of history. It is located in the middle of the vineyards, in an idyllic corner of the Languedoc-Roussillon in the South of France.

Domaine Saint-Eugène - Les Trois Tomates

LANGUEDOC REGION
300 000 ha vineyards in one large adjacent region make Languedoc the biggest vineyard in the world. No less than 40% of all French wine is produced here. The Languedoc is also an amazing holiday destination.
